

Effective Friday, March 20th Tri-County Bank will modify our services and ask customers to use drive ups, ATMs and internet banking for all applicable transactions. Although, our lobbies will be locked during this period, we will be staffed and taking appointments during regular business hours to allow customers to visit loan officers, open accounts, access safe deposit boxes, etc. Please call **888-346-0800** if you need to set up an appointment. Our goal is to protect our employees, customers and community members by limiting in-person interactions. We are fortunate to live in a time where we have access to tremendous technology via the World Wide Web. Again, we encourage everyone to be safe and access your accounts and conduct your banking transactions on-line whenever possible.

Drive up hours will be as follows:

Monday thru Friday (all locations) 8:30 am – 6:00 pm

Saturday (Marlette and Brown City) 8:30 am – 2:00 pm

Saturday (all other locations) 8:30 am – 12:00pm.
